The following new heading has been added at line 19:

DESCRIPTION OF THE DRAWINGS

The following paragraph has been added after line 19:

Fig. 1 is a chart illustrating an embodiment of the present invention.

The following new heading has been added before line 20:

DETAILED DESCRIPTION OF THE INVENTION

Page 6

The following new paragraph has been added at line 33:

Fig. 1 illustrates an embodiment of the present invention in which a business (company) 100 contracts 102 with client 101 to perform installation of automatic devices and telecommunication services and devices 103 and also the monitoring and maintenance of these devices and services 104, 105. The business further performs the payment for these services to a third party, if necessary, and invoices the client with a bill 106. The bill can be a single bill for all services and work rendered. The client can then pay the invoice 107.
